## Faculty for Undergraduate Program in Electrical Engineering

Habib University is a liberal arts and science institution being established by Habib University Foundation, in partnership with Carnegie Mellon University and Texas A&M University in Qatar. The Habib University will be a world class center of excellence in higher learning in Karachi, Pakistan. Habib University will start classes in Fall of 2013 and will offer undergraduate programs, with a unique blend of interdisciplinary education in Science, Engineering, Arts, Humanities and the Social Sciences.

Habib University is establishing a School of Science and Engineering, which will offer Bachelors of Science in Electrical Engineering and Computer Science as its first programs. The School will initiate classes with 120 students and will continue to increase enrollment each year. The University has long term plans for the school to offer more programs at the undergraduate and graduate level.

Habib University will offer a rigorous Electrical Engineering program that emphasizes creativity, application and entrepreneurial thinking within the perspective of a liberal education. The program will build student knowledge in engineering principles, build skills in inquiry-based learning and build a community of engaged, self-directed learners.

Habib University is inviting applications for faculty positions at any level (assistant, associate or full professor) for appointment to its Electrical Engineering program. We encourage applications from individuals with expertise in Electrical Engineering, Chemistry, Entrepreneurship and Mathematics who have the desire and the ability to contribute to cross-disciplinary learning.

The terms of employment are competitive and include additional employment benefits.

The review of applications will begin on **November 15, 2011**. Applicants need to submit curriculum vitae, statement of teaching interests, representative publications and three letters of reference in PDF format to be considered. Please visit the website to download the application form. If you have any inquiries please contact [minerva.john@huf.org.pk](mailto:minerva.john@huf.org.pk).
